*To receive 1/8 percent reduction on the interest rate of your new Greenfield Savings Bank mortgage, you must apply for a GSB Mortgage during April 2017 and maintain an Automatic Loan Payment for the mortgage from a GSB Checking Account. 1/8 percent interest reduction is off of the posted interest at time of application. If at any time during the term of the loan, the customer cancels the Automatic Loan Payment, then 1/8 percent interest rate reduction will be rescinded from all future monthly or biweekly payments for the term of the loan and the mortgage interest rate will be reset to the interest rate that was posted at the time of the application of the mortgage. Offer not applicable with the 10 Year Bi-Weekly Mortgage Offer or to previous applications and is only for the purchase or refinance of owner-occupied one-to-four family primary residences in Franklin and Hampshire counties. Offer expires 4/30/2017. This offer is subject to change or cancellation at any time.
